# Conflict Minerals Statement

GAM takes seriously the concerns regarding Conflict Minerals.

GAM intention is to comply with this act.

GAM does not manufacture or produce product containing Conflict Minerals

Raw materials and product delivered to GAM, to the best of our knowledge, are according to the terms and requirements regarding Conflict Minerals.

Conflict Minerals refers to gold, tin, tantalum, and tungsten, the derivatives of cassiterite, columbite-tantalite, and wolframite, regardless of where they are sourced, processed or sold.
