

LSK Linear Slide / Motor Mount

GAM Mounting Kits for Festo Actuators

- Low Cost
- Short Lead Time
- Customized to Any Motor or Gearbox
- Bellows or Elastomer Coupling Included
- Mounting Hardware Provided by GAM

The GAM LSK Makes It Easy!

The LSK takes the hassle out of mounting your motor to a linear slide. GAM will provide a customized mounting solution that will work with ANY motor or gearbox. GAM will even provide all the necessary mounting hardware. All you have to do is tighten down the bolts!

The LSK is offered in multiple sizes with several coupling options. A bellows can be supplied for high stiffness, or an elastomer can be supplied for dampening capability. Either way, GAM has the right solution for you.

Actuator Type

EGC-BS-70 = BS70
EGC-BS-80 = BS80
EGC-BS-120 = BS120
EGC-BS-185 = BS185

EGC-TB-50 = TB50
EGC-TB-70 = TB70
EGC-TB-80 = TB80
EGC-TB120 = TB120
EGC-TB185 = TB185
